## *STIPULATIONS*

- March-February financial year with fees escalating annually.  
\*For the 2019 financial year a pro rata fee for 10 months (R12 500) will be due as the NJDC is still available to all Country Club Members until the end of April 2018. This as a special consideration from the Chairman in lieu of Country Club course construction.
- For the appropriate contribution as listed above, Country Club members' direct family may also become Individual Contributors to the NJDC without Country Club membership being requisite.
- Walking fee contributors may bring a guest to use the track for no further contribution.
- NJDC contributors must book times and register accordingly at the Country Club Pro-Shop.
- We envisage for the Country Club warm-up facility to be up and running by the time of opening in May this year. Once reopened Country Club members who choose NOT to contribute to the NJDC may use the Country Club facilities ONLY.
- The R1000 / R500 / R250 visitor and guest fee contribution makes all of the facilities on the NJDC available to the visitor or guest for the day.
- Leopard Creek Country Club rules, regulations and required decorum applies on the NJDC.
