

THE PRACTI SHOT

DAILY DISTANCE TO ANY LOCATION ON OUR RANGE

PractiShot allows you to get daily practice distance, fully customized to our range. The meters change based on the location of the tee and your hitting bay.

Add it to your device by following the steps below.

Open Link on Phone

PractiShot is a WebApp that uses your phone's browser to install instead of the App Store.

Select Share Icon

Your device browser has a "Share" icon. Select this to open a menu for further options.

Add to Home Screen

Select the option to "Add to Home Screen" and the app will install on your screen.
